

Art.Nr.205 1755

This exploded view diagram illustrates the assembly of a microscope. The components are arranged vertically, showing the relationship between the eyepiece, objective lenses, stage, and base. The diagram includes a detailed view of the eyepiece assembly, showing the eyepiece tube, eyepiece lens, and eyepiece housing. The objective lenses are shown in a separate exploded view, highlighting the objective lens, objective housing, and objective turret. The stage assembly is shown with the stage plate, stage clips, and stage housing. The base assembly is shown with the base housing, base lens, and base feet. The diagram is a technical line drawing with no shading or color.
