The diagram illustrates a cross-section of a window frame assembly. On the left, a pencil icon indicates a specific detail. The assembly consists of several vertical layers. The first layer on the left is labeled 'UA' with a downward arrow. A double-headed arrow indicates a distance of 50 units between the first and second layers. The second layer is also labeled 'UA' with a downward arrow. A third layer, shaded in blue, is labeled '100' with a downward arrow. A fourth layer is labeled '0' with a downward arrow. The bottom of the diagram shows a horizontal section of the frame with multiple layers.
