Technical drawing of the side view of the 1000 Series Ball Valve. The drawing shows the valve body with a handle on the left and a long stem extending to the right. Dimensions are provided: 49-69 for the handle width, 237 for the total length, 52 for the stem length from the body, and 224 for the distance from the handle to the stem end. A 24° angle is indicated at the stem end. A G1/2 connection is shown on the handle side.
